

## Local businesses win 20/20 Campaign awards

December 1, 2013

The most recent class of high-growth companies honored with the [Northern New Mexico 20/20 Campaign](#) awards includes eight local businesses based in Los Alamos, Santa Fe and Taos.

The [Regional Development Corporation](#) launched the campaign in 2012 and seeks to support at least 20 companies on track to double their workforce and/or revenues before the year 2020.

Local elected officials, city and county governments and entrepreneurial support organizations provided the nominations, with each candidate completing a competitive screening process.
